

ANDERSON

Manufacturer of Fine In-Outdoor Furniture

Teak Patio Furniture, Synthetic Rattan Outdoor Furniture, Indoor Furniture

ANDERSON MANUFACTURER

Anderson is a manufacturer of fine indoor outdoor furniture which has been established and has combine experienced for more than 3 decades. We are proud with our products which have been used in many locations in hotels, resorts, cruise ships, restaurants, shopping malls, hospitals, apartments, housings, universities, government projects and many more. With our high quality products we entered to the USA market 8 years ago and be the leading company and well known supplier of teak garden furniture by the name of Anderson. We have our own manufacturer in Indonesia that supply our head office and distribution center in California, USA.

We proud of our growing sales from year to years where in the beginning of year 2007, we have launched our new line of products; Synthetic Rattan and Cast Aluminum Outdoor furniture. In Anderson, we belief that outdoor furniture has the same important element as indoor furniture, that's why, we have the complete range of furniture from chairs, tables, benches, steamers, adirondacks, chaise lounges, gliders, deep seating collections, bar set collections to accessories such as serving carts, trash bins, storage boxes, planter boxes, umbrellas and cushions. To know more about our products, please visit our website at www.andersontek.com and www.andersoncollections.com

We also work with designers, contractors and architectures to develop new designs to supply their costumer's need. To make their dreams come true, we give them support, the flexibility and access to choose their own materials, dimensions and colors to fit in with their projects.

In the last 3 years Weathered Rattan Furniture has becoming more popular and famous as synthetic rattan technology as the main raw material has been improved. We team up with Viro® Fiber manufacturer, the leading Synthetic Rattan Fiber manufacturer to explore the possibility of producing more ranges of weathered rattan furniture products. We have more than 50 different choices of sizes, thickness, colors, textures and models of Synthetic Rattan wickers. With more collections of rattan materials, teak wood and cast aluminum, we have more complete outdoor furniture range to offer our clients in such a way, regardless the clients want to furnish their backyard with Teak furniture, Weathered Rattan Furniture or Cast Aluminum furniture.

At this opportunity, we would like to propose a strategic business partnership as a manufacturer to be part of your main indoor / outdoor furniture supplier for your company. We are very flexible in developing new designs with private labeling which are very important to your success of your business. Please contact us for more available services that we can provide to your company.

Thank you for your attention and the opportunity to do business with you in the future. If you have any question regarding our products, please do not hesitate to contact us.

We are looking forward to hear from you soon.

Sincerely,

Andre Yap
